ABOUT EIILM & CMJ UNIVERSITY

Students who have passed from these universities are not eligible to take further admission in KSOU.

Most of the reputed universities like Mahatma Gandhi University, The global open university are also not providing admission to the students of CMJ University because their statement of marks are taken with the pinch of salt and the degrees not yet been issued.

Mumbai university and others are also in the dull drum in regards to the admission of these students.

Professionals, education consultants, institutes of distances education and others have nothing to commit when it comes to the future prospective of these students.

ASSOCIATED CENTERS PLS DO NOT TAKE THEIR ADMISSIONS to avoid any complications.
